## SNOOKER

The 1997 Snooker Handicap Tournament is powering towards a close.

Club veteran, Col Pearce (83), continues to impress all and sundry in his run up to the final of the 1997 Snooker Handicap. Col has to defeat another 1997 rookie, Greg Mizon, to earn a place in the semi-finals where he will meet Mark Twigg. Mark hit his straps with perfect timing to defeat one of the Club's youngest and most promising players, Robert Crane.

### Eddie Crane Doubles

The next Eddie Crane Doubles afternoon will be on Friday, 17th October. Food and drinks will be provided. Watch the notice board in the snooker room for more details.

### Christmas Handicap

The 1997 Christmas Handicap has begun and games are being played every day. Stick your head through the door and see who is playing or get the latest from Paddy.

### Interclub Competition

Tattersall's finished in 3rd place this year but the team is to be congratulated on their efforts. Mark Twigg, Andrew Griffin, Adrian Abbott and Bob Jelfs performed admirably but were unfortunate not to make it into the finals. Better luck next year guys!

### Billiards Championship and Snooker Championship

Come and watch the Club's best players battle it out for this year's titles of Billiards Champion and Snooker Champion this October. The Billiards Championship will be played on Friday, 17th October and the Snooker Championship is to be held on Friday, 24th October.

## TATTERSALL'S RACING – RACING SPORTS LUNCHEON

NSW's leading racing personalities for the 1996/1997 season were honoured at a very special luncheon at Tattersall's Club in late August. Leading trainer, Gai Waterhouse, jockey Shane Dye and apprentice Len Beasley were the special guests of the club.

Colleagues, supporters and friends from Tattersall's, the Australian Jockey Club and the Sydney Turf Club were all on hand to support their racing colleagues for what now looks set to become an annual event in the NSW racing and Tattersall's calendars.

### RACING COCKTAIL PARTY

Tattersall's racing day was off to a flying start well before the first horse had left the gates at Royal Randwick Racecourse, largely due to the highly successful cocktail party held the night before. More than 80 members and their guests attended the evening, enjoying Paul Clyne's fabulous food as well as Mychel and Mark's cocktail creations. Well-known magician, Ace McDermott, was also on hand to make sure that everybody was sufficiently confused and bamboozled.

Colin Tidy and Anthony Cummings provided their racing selections for the following day, ending one of the most successful cocktail racing evenings in recent memory.

A Pleasure to Measure

## THE COLLAR, THE NECKTIE AND THE 3MM

Last month Vince Maloney wrote here about the deeper shirt shades and the good sense of adding 3mm to the depth of the collar. This move is not airy-fairy art; it's all about a sense of proportion. When the jumpy, whacko necktie went out (not a moment too soon) the new rich but discreetly-patterned neckties needed a larger knot to look right. The deeper collar gives the larger knot breathing room! Stroll next door and ask Peter to demonstrate this; while you are there, see the just-arrived Italian shirt with the tasty diagonal weave-stripe.

## SWIMMING NEWS

Attendance is rising as we approach notable events in the swimming calendar with the two Tatts races and later the scramble and Championships in November.

Michael Ward recently recorded 24.7 in the 50m and a sensational 23.5 anchoring the winning Tattersalls Open Team, indicating a strong challenge for the Open Championship.

New member, Peter Anderson, is welcomed; and it's nice to see old faces reappearing, Dave Robinson and Bruce Baird, together with John Ward up from Melbourne to cheer brother Michael on. John McCosker made a valiant effort in the last month, finishing second to Bob Hudson in the last final of the month before a decision was reached. Early leader, Tony Johnson, missed the last final.

## EASY WINE FACSIMILE ORDER FORM

### **Rouge Homme Richardson's White Block Coonawarra Chardonnay 1995**

Complex and elegant, this wine epitomises the cool climate varietal character associated with Coonawarra Chardonnay. Premium ripe fruit married with the complexities of barrel fermentation and oak maturation have produced a full-flavoured style with great character. The colour is light straw-green. The bouquet shows attractive melon and citrus-like fruit characters, enhanced by a background of soft, buttery barrel fermentation and sweet nutty oak influence.

Price per dozen **\$143.00**

### **Hungerford Hill Cowra Chardonnay 1995**

This rich, full flavoured Cowra Chardonnay is an excellent example of contemporary Australian style. The wine has a bright, lemon straw-green colour. Price per dozen **\$160.00**

### **Rouge Homme Coonawarra Pinot Noir 1995**

This is a complex and stylish wine with wonderful varietal aromas and flavours. The wine has a youthful and intense bright crimson colour.
